Guide Button On Twc Remote - gamma-ic.com

Neither the "Guide" or "Info" buttons on the TV remote work. Absolutely nothing happens if you press them. No information about the program is presented, and no information about schedules on the channel and nearby channels is presented, either. (The remote works; the batteries were the first thing I checked.)

Iran summons German envoy over tweet on executed wrestler ...

The rest of the room looked clean (bed, bathroom, desk). We were missing a remote control for our television, and the on button had physically been pushed out of the tv (so you couldn't turn it on without a remote). My husband called downstairs and they brought us a remote to our room about 30 minutes later.
