Guide to Health Informatics 3rd Edition - Free PDF EPUB ...

Coiera's Guide to Health Informatics 2 is another text with a broad scope, but it is more theoretical than practical and would be better suited to informatics specialists than clinicians. In contrast, Health Care Informatics could well serve as a primer for pharmacy or medical students or clinicians first learning about health care informatics. While it covers many of the same concepts as the other texts, such as computing and decision support, it concentrates on the practical application ...
