Philosophy

The law of equal liberty, also known as the law of equal freedom or equal liberty, is the fundamental precept of liberalism. It has been stated in various ways by many thinkers, but can be summarized as the view that all persons must be granted the maximum possible freedom as long as that freedom does not interfere with the freedom of anyone

Philosophy

to each other. There is no value of liberty in the absence of equality. They are the same conditions viewed from different angles. They are the two sides of the same coin. Though there is a close relationship between liberty and equality, yet there are some political thinkers who do not find any relationship between liberty and equality.
