The Maintenance Manual will show how easy it is to maintain your new machine. so you may enjoy the NeoTat for years to come. One major difference from that of a coil machine is the noise. Professionals who are used to tuning and running their coil machines by sound will find the NeoTat is very quiet.

FAQ | NeoTat

Every NeoTat machine is hand crafted and unique. Rather than having a warehouse full of mass produced inventory each machine is hand balanced, fit, and built to order and then tested for hours. Our methods may take a little longer but the long life of our product serves as a testament to our ideals of quality craftsmanship and a
