They may cry without tears for the first month or so of life. Some babies are born with or develop blocked tear ducts. In these cases, the baby can produce tears but one or both ducts may not be ...

What Are Tears Made Of and Why Do They Happen? 17 Facts

I've given this book four stars as it does exactly what it says it'll do: provide an introduction to the subject of statistics, without tears! This book is presented in a "tutorial" or "seminar" style, actively getting the reader involved in what's being taught, not just dumping information on them.
